The "gold standard" of membership, this ANA membership also includes membership in your state nurses association. You'll receive full benefits from both, including valuable ANCC certification discounts. Plus, you'll influence decisions made at the national and state level that affect the practice of nursing and the health of our patients.

ANA Only Membership — \$183 (or \$15.75 per month)

Direct ANA members receive full ANA member benefits but no state nurses association benefits. You'll have the chance to influence the decisions made at the national level that affect the practice of nursing and the health of our patients. (Available in most states). Many states also offer direct membership. See your state nurses association website for more information.

E-Membership Only — \$45

A web-only ANA membership, this is our lowest cost option with limited benefits. Individual affiliate membership is great if you want to access the Members Only section of nursingworld.org and support your profession.

Choose a way to pay that's right for you, too

There are a variety of ways to pay for your membership at ANA.

Monthly Payments

You can choose to pay your dues on a monthly basis — making your dues no more than your lunch out! ANA will either charge a credit card of your choice or deduct from your bank account 1/12 of your annual dues and any additional service fees. Bank accounts are debited on or about the 15th and credit cards are charged the first week of each month.

Annual Payments

If you choose to pay annually, you can pay by credit card or a check payable to ANA. If paying by credit card, you also have the option to have ANA automatically bill your annual dues each month on your anniversary.
