Why Become a Content Expert?

As an ANCC-appointed Content Expert, you will be able to contribute to the development and maintenance of a certification specialty and assist others within their profession while enhancing your curriculum vitae.
Becoming a Content Expert

Eligibility

3-5 years of experience in specialty

Availability to attend required meetings

Appropriate educational background

Certified in specialty with ANCC under an eligible certification

Related work/volunteer experience

Content Expert Responsibilities

**Roles**
- Content Expert Panel (CEP) Member
- Item Writer (IW)
- Standard Setter Panel (SSP) Member
- Content Expert (CEX) Registry

**Commitment**
- CEP members serve a four-year term.
- IW and SSP members’ terms end when the development phase or SSP responsibilities have been accomplished.
- CEX members will remain on the registry and serve as backup for other potential roles.
