Program - Thursday, March 9

Tue, 3/7 and Wed, 3/8	Thurs, 3/9	Fri, 3/10
THURSDAY, MARCH 9th		
7:00 am - 5:30 pm	Registration Open	
7:00 am - 3:45 pm	Exhibit Hall Open / Posters Available	
7:00 am - 8:00 am	Coffee in the Exhibit Hall	
8:00 am - 9:30 am	<p>Session G400 – Welcome and Opening Keynote</p> <p>Health Care Innovation: Shifting Decision-Making to Consumers</p> <p>In settings from acute to non-acute care, patients are now savvy consumers, which signal a major transformation in health care. With so many choices, how are they making decisions for optimal health? How does this impact nursing? Learn new and expanded skills to be successful in this ever-changing landscape.</p> <p><u>Learn More...</u></p> <ul style="list-style-type: none"> • Pam Cipriano, PhD, RN, NEA-BC, FAAN, President, American Nurses Association • Harry Greenspun, MD, Chief Medical Officer and Managing Director, Korn Ferry Health Solutions 	
9:30 am - 10:30 am	Break / Exhibits / Breakfast in the Exhibit Hall	
10:30 am - 11:30 am	<u>Concurrent Sessions</u>	
10:30 - 11:30 am	<p>Invited Speaker Sessions</p> <p>Session E401</p> <p>Meet the Editor</p> <p>Have you thought about sharing nursing information, success stories, case studies and other nursing data though publishing but don't know how to get started? Would you like tips to improve your writing skills? Join American Nurse Today's Editor-in-Chief, Lillie Gelinias, MSN, RN, FAAN; Editorial Director, Cindy Saver, MS, RN; and Pamela Cipriano, PhD, RN, NEA-BC, FAAN, Founding Editor and current President of the American Nurses Association; for their insight as well as the value of publishing your nursing findings — and learn that it's not as difficult as you might think. Our experts will talk about why writing is important, developing your topic and how to write for publication as well as how to get published. This interactive session will offer attendees ample opportunity for questions and comments.</p> <ul style="list-style-type: none"> • Lillie Gelinias, MSN, RN, FAAN (moderator); Pamela Cipriano, PhD, RN, NEA-BC, FAAN; Cynthia Saver, MS, RN <p>Session C405</p> <p>Healthy Nurse/Healthy Nation</p> <p>Nursing practice is grounded in prevention, wellness, and support of the human condition. Healthy nurses actively focus on creating and maintaining a balance between personal and professional well-being. The Healthy Nurse, Healthy Nation™ Grand Challenge is transforming nurses' health and making a difference for patients.</p> <ul style="list-style-type: none"> • Jaime Dawson, MPH, Program Director, Nursing Practice, American Nurses Association 	
11:30 am - 1:00 pm	Lunch in Exhibit Hall Poster Session P601	
1:00 - 2:00 pm	<u>Concurrent Sessions</u>	
1:00 - 2:00 pm	<p>Invited Speaker Sessions</p> <p>Session C412</p> <p>Workplace Culture</p> <p>Have you been affected by workplace violence? The most devastating result of violence to health care professionals is their inability to feel safe at work, which can adversely impact every aspect of their jobs.</p>	

	<ul style="list-style-type: none"> • Cole Edmonson, DNP, RN, FACHE, NEA-BC, Chief Nursing Officer, Texas Health Presbyterian Hospital Dallas • Holly Carpenter, BSN, RN, Policy Associate, American Nurses Association <p>Session C416</p> <p>Palliative and Hospice Nursing (Professional Issues Panel Call to Action)</p> <p>Are you prepared to help lead and transform palliative care? End-of-life planning is a difficult, but essential, part of providing high-quality care. Nurses play a significant supportive role in helping patients and their families make end-of-life choices that best meet their needs by anticipating, preventing, and treating suffering.</p> <ul style="list-style-type: none"> • Carol Bickford, PhD, RN, American Nurses Association, Silver Spring, Maryland • Harleah Buck, PhD, RN, FPCN, FAAN, University of South Florida, Tampa, Florida
2:00 - 3:00 pm	Break / Exhibits / Posters Session P602
3:00 - 4:00 pm	<u>Concurrent Sessions</u>
3:00 - 4:00 pm	<p>Invited Speaker Session</p> <p>Session C422</p> <p>ANA Policy Panel: The Impact of Technology in Nursing</p> <p>As the health care delivery system continues to evolve, there is increased reliance on technology to support new and emerging care models. Consumers expect a modern, innovative system that gives them access to health care technology resources, and nurses need tools and strategies to fully utilize this technology-rich environment.</p> <ul style="list-style-type: none"> • Mary Beth Bresch White, American Nurses Association, Silver Spring, Maryland • Diane Skiba, PhD, FACMI, ANEF, FAAN, University of Colorado College of Nursing, Aurora, Colorado
4:00 - 4:15 pm	Break
4:15 - 5:15 pm	<p>General Session</p> <p>Session G401</p> <p>Shifting the Culture</p> <p>Health care is now focused on the needs of the consumer, not on the provider. We've moved from a caring model to a business model. Given this immense cultural shift, nurses need to fully engage and guide consumers in making the best health care decisions.</p> <p><u>Learn More...</u></p> <ul style="list-style-type: none"> • Ed Tori, DO, Associate Director, MedStar Institute for Innovation (MI2) Director, MedStar Center for Health Influence and Engagement
5:30 - 6:30 pm	<p>Town Hall Session</p> <p>Health Policy in Real Time: Update from Washington, DC.</p> <p>Moderator: Marla Weston, CEO, ANA Enterprise</p> <p>Panel Speakers</p> <ul style="list-style-type: none"> • Pamela F. Cipriano, PhD, RN, NEA-BC, FAAN, President, American Nurses Association • Senator Marco Rubio (R-FL) (Invited) • Senator Bill Nelson (D-FL) (Invited) • Carol Boston-Fleischhauer, JD, MS, BSN, Chief Nursing Officer, The Advisory Board Company • Jeff Doucette, DNP, RN, FACHE, CENP, Vice President, Magnet & Pathway to Excellence, American Nurses Credentialing Center; formerly Vice President & Chief Nursing Officer, Bon Secours Health System <p>The purpose of this session is to provide attendees with an overview on the latest developments surrounding Congress' efforts to reform our nation's health care system. Attendees will hear the perspective of policymakers and industry leaders regarding the outlook of health systems reform as well as its potential impact. Learn more about ANA's policy goals and advocacy efforts to address this changing landscape; and how you can get active. The current environment creates numerous opportunities and challenges for nursing. Participate in this dynamic session to help you navigate these turbulent times!</p>

Program - Friday, March 10

Tue, 3/7	Wed, 3/8	Thurs, 3/9	Fri, 3/10
FRIDAY, MARCH 10th			
7:00 am - 1:00 pm		Registration Open	
7:00 am - 7:50 am		Hot Breakfast	
8:00 am - 9:00 am		<p>General Session</p> <p>Session G402</p> <p>Cross Continuum Care: Professional Implications for Practitioners and Leaders of Nursing</p> <p>Everything is connected ... nurses are moving into new roles as health care is moving into new realms. How do we match these new roles with consumer expectations and industry needs? Attend this session to learn how to navigate these new practice settings while you continue having a positive impact on patient outcomes.</p> <p><u>Learn More...</u></p> <ul style="list-style-type: none"> • Carol Boston-Fleischauer, JD, MS, BSN, Chief Nursing Officer, The Advisory Board Company 	
9:00 am - 9:15 am		Break	
9:15 am - 10:15 am		<u>Concurrent Sessions</u>	
9:15 - 10:15 am		<p>Invited Speaker Sessions</p> <p>Session C502</p> <p>Highly Reliable Organizations</p> <p>High-reliability organizations operate in complex, high-hazard domains for extended periods without serious accidents or catastrophic failures—which requires establishing a positive safety culture and instituting a robust process improvement culture, with a focus on processes and outcomes. Pathway to Excellence and Magnet designated organizations demonstrate these attributes.</p> <p>Attend this session and learn how one exemplary organization integrates Pathway to Excellence standards and high-reliability principles to provide exceptional care.</p> <ul style="list-style-type: none"> • Patience Harris, BSN, RN, Specialist, ANCC, Silver Spring, Maryland • Thomas Kester, RN, MSN, CNOR, Chief Nursing Officer/Chief Operating Officer, Broward Health Imperial Point, Florida 	
10:15 am - 10:45 am		Refreshment Break	
10:45 am - 11:45 am		<u>Concurrent Sessions</u>	
10:45 - 11:45 am		<p>Invited Speaker Sessions</p> <p>Session C512</p> <p>The Intersection of Staffing and Work Environment: What Leaders Must Know to Succeed</p> <p>Many clinicians struggle to find best practices for applying patient satisfaction data to inform future approaches for improving quality of care. If used effectively, quality data gives nurse leaders a powerful tool to shape the work environment.</p> <p>Presenters in this session use straightforward examples and stories from clinicians' experiences in implementing statistics to improve health care delivery. Participants will come away with more confidence, tools, and actionable ideas for how to apply data analysis in their own workplace.</p> <ul style="list-style-type: none"> • Mary Jo Assi, DNP, RN, NEA-BC, FNP-BC, American Nurses Association, Silver Spring, MD • Christina Dempsey, MSN, MBA, RN, CNOR, CENP, Press Ganey, South Bend, Indiana 	
11:45 am - Noon		Break	
Noon - 1:00 pm		<p>Closing Session</p> <p>Session G403</p>	

Building Resilience: Bounce Back and Thrive

How well do you cope with stress and change? Nurses today are immersed in a challenging and fluid environment, with increased workloads, new roles and responsibilities, and tremendous pressure to adapt to new realms in health care. Resilience is key to being successful in the face of change...but how do you become resilient?
