One Vision, One Mission.

The ANA Enterprise is a family of organizations that includes the American Nurses Association (ANA), the American Nurses Foundation (Foundation), and the American Nurses Credentialing Center (ANCC). Our three organizations work together to achieve our shared vision, mission, and values.

The ANA Enterprise 2023–2025 Strategic Plan puts our shared vision, mission, and values into action to allow the ANA Enterprise to be a true catalyst for creating a healthy world and leading the nursing profession to shape the future of nursing and health care.

VISION
A healthy world through the power of nursing.

MISSION
Lead the profession to shape the future of nursing and health care.

VALUES

TRUSTED
We act with integrity, respect, transparency, and humility in all we do.

INCLUSIVE
We embrace the uniqueness of every individual, including diversity of thought, as we work collaboratively to bring our very best.

INNOVATIVE
We are creative, nimble, open to change, and we will never stop striving for excellence.

EMPOWERED
We choose to see it, own it, solve it, and do it, through shared decision-making, optimism, and joy.
Goals and Objectives

The ANA Enterprise 2023-2025 Strategic Plan represents priorities and areas of focus in support of America’s 4.4 million registered nurses.¹

Elevate the Profession of Nursing Globally

Lead the nursing profession to improve health through advocacy, philanthropy, practice, and innovation.

Evolve and promote standards of excellence, recognizing exemplary nurses and settings where they practice.

Champion the value of nursing to advance nursing’s impact on health and society.

Evolve the Practice of Nursing to Improve Health and Health Care

Advance diversity, equity, inclusion, belonging, and anti-racism to improve nursing practice and work environments.

Engage and support social justice in nursing to address inequities in health.

Develop the capacity for nurses to innovate and lead in dynamic and complex practice environments.

Ensure the Professional Success of Nurses

Magnify nurses’ voices and advocate to overcome barriers to personal and professional success.

Design and implement advanced solutions to meet the needs and priorities of nurses.

Co-create holistic approaches to nurses’ well-being directly with nurses and through strategic partners.

Enablers: People, Core Values, Financial and Operational Excellence

#1 Trusted profession for 20+ years. 79% of Americans rated nurses’ honesty and ethical standards as “high” or “very high”.²
