

Institutional Verification Request Form

ANCC provides primary source verification on the certification status of all ANCC certified nurses. The verification of certification letter provides documentation of the nurse's current certification and/or renewal status, certification identification number, and the valid dates of certification. Institutional requests for verifications of certification cost \$50.00 each (per applicant, per specialty). A verification of certification letter is processed only after the provider has met the application requirements and all of their fees have been paid.
