

Individual Verification Request Form

ANCC offers:

Verification of Certification: ANCC provides primary source verification on the certification status of all ANCC-certified nurses. The verification of certification letter provides documentation of the nurse's current certification status, certification identification number, and the valid dates of certification. Contact your state board of nursing to determine if a verification of certification letter is required in order to obtain your license. If your state board of nursing requires ANCC to complete their specific verification of certification form, **then you must attach it to this request.** During each five-year certification period, you are entitled to have **one** free verification of certification per specialty (please indicate below). Additional verification of certification letters cost \$40.00 each. A verification of certification letter is processed only after you have met the application requirements and all fees have been paid.
