The Commission on Accreditation in Practice Transition Programs (COA-PTP) has voted on the below areas in the 2023 Advanced Practice Provider Fellowship Accreditation™ Application Manual.

Effective November 29, 2022 the following terms have been added to the glossary:

**advisory board** - A structured formal group of internal and external participants that meets regularly to provide advice to the program. At minimum this group must include a current or former learner from the program.

**academic partnership** - An individual or group from an academic setting(s) that regularly collaborate with the program leadership.

**foundations of safety science** - The body of knowledge that describes the human performance in complex systems, with foundational elements, including Jens Rasmussen’s three types of human performance (skill-based, rule-based, knowledge-based) and James Reason’s Generic Error Modeling System for human error and related human error prevention themes; James Reason’s Swiss Cheese Model of Accident Causation; Geert Hofstede’s Five Dimensions of Power Distance; and Karl Weick and Kathleen Sutcliffe’s Five Principles of High Reliability Organizations.

**universal nontechnical skills** - Behaviors that, when practiced by the entire workforce, can prevent human errors that lead to poor safety, quality, efficiency, and patient experience. There are two types of Universal non-technical skills: **Universal Relationship Skills** and **Universal Reliability Skills**.

**Universal Relationship Skills** - Skills for collegiality, empathy, and moderating power distance and authority gradient that allow for better relationships and teamwork among caregivers and with patients/families.
Universal Reliability Skills - Skills that reduce the incidence of human errors and mistakes and at least include (1) attention to detail, (2) clear communications, (3) questioning attitude, (4) peer checking and peer coaching, and (5) awareness and escalating when there is a safety concern.

Re: PG/OM 1 SD a

Date: December 20, 2022

The Commission on Accreditation in Practice Transition Programs (COA-PTP) has voted on the below areas in the 2023 Advanced Practice Provider Fellowship Accreditation™ Application Manual.

The COA-PTP has revised PG/OM 1 SD a. They have removed the required key stakeholder evaluation. All programs must now have 4 program goals.

New language:

PG/OM 1. Supporting Documentation (PG/OM 1 SD):
  a. Submit four program goals in SMART goal format with associated outcome measures and data for each of the following categories:
  b. For each goal, include:
     • A brief description of the outcome measure;
     • A target benchmark;
     • Aggregate outcome measure data representing 24 months of data prior to self-study submission or from initiation of program to self-study submission for new programs operating less than 24 months.

Required categories:
  1. Learner Professional Development
  2. Learner Competency
  3. Self-Reported Measure (learner focused)
  4. Financial

Effective May 1, 2023.
