| Composition             | Panel members are selected to provide a broad representation of the certification scope and practice. The member holds the appropriate certification and evidence of the knowledge and practice in the specific certification held. Therefore, panel members have a range of education preparation, practice settings, experiences, and roles which reflect the certification held. Factors considered in the selection include:  
1. Active and current experience in the specialty  
2. Roles that are common to the certification such as clinician, manager, educator  
3. Population (patient or staff or system) as determined by the certification  
4. Types of practice settings  
5. Geographic location  
6. Nursing education |
| Selection Process       | 1. Content Expert Panel applications undergo an initial professional RN review to ensure all applicants meet the definition of a content expert.  
2. Certification Program Appointments Committee reviews and scores eligible Content Expert Panel applicants.  
3. RN Analysts fill open CEP positions based on composition factors noted above. |
| Volunteer Agreement and Conflict of Interest | Final placement on a CEP requires candidates to sign conflict of interest disclosure forms and other agreements that protect ANCC intellectual property. |
| Removal                 | Absence from two consecutive meetings may be cause for declaring a vacancy in the position; however, a CEP member may be removed with or without cause at any time. |
| Authority Established by| ANCC Bylaws Article VII. Section 6 |
