PRINT SPECIFICATIONS

Ad reproduction requirements
- American Nurse is printed web offset using computer-to-plate technology.
- Digital artwork required. Mac files are preferred.
- Application file formats accepted are: Hi-res PDF, QuarkXPress, Adobe Illustrator, Adobe InDesign, Adobe Photoshop.
- PDF/X-1a files preferred. Fonts should be embedded. Files should be written at 300 dpi; 2400 x 3263 pixels.
- Pages must be built according to final trim size (8” x 10 7⁄8”). All bleeds should be 1⁄8” beyond page trim size. All text should be kept 1/2” from trim.
- For eps files using fonts, be sure fonts are converted to outline or rasterized.
- We print at a 133-line screen; therefore, an image resolution of 275-300 dpi is required.
- Use the layout application scaling for design and sizing; once you know the size desired, rescale your image in its original application and re-import it into your layout document at 100%.
- Convert all images to CMYK (not RGB). No spot colors.
- All colors or graphics must be supplied in a single channel EPS or TIFF format.
- Quark colors must be converted to CMYK, with the spot color box unchecked in the Edit Colors dialogue box.
- Files can be submitted electronically through email, Dropbox, or other file transfer system.
- SWOP standards apply.

CUSTOM PUBLISHING AND PROJECTS

Custom Publishing and Projects – American Nurse Journal

Webinars: Develop a thought leadership, multi-channel webinar campaign that highlights best practices in key clinical areas aligned to your product or brand education initiatives. Our turn-key events include all production services and tailored marketing campaign to promote audience registration and engagement to our nursing audience. Clients will receive metric and leads throughout the campaign.

- Client/HCM selects speaker(s)
- Live or pre-recorded presentation using On24 Webinar Services
- Live or a pre-recorded Q&A
- Audience generation campaign
- Metric reporting
- OnDemand campaign (post-live event)
- Content development subject to HCM Webinar Protocol

Advisor Series Resource Centers: Advisor Series Resource Center (ASRC) are site-based resource centers featuring topics in key clinical areas and interest. ASRC’s leverage SEO and e-mail marketing tactics to drive engagement with a key, targeted audience. Sponsor’s have the opportunity to own 100% share of voice on their preferred topics and received a custom marketing plan to reach their core audience.

Video: Video has become an essential part of how hospitals, clinics, nursing schools, and other healthcare facilities teach, train, and communicate. The video format has become the preferred medium in healthcare settings, as it is a simple tool that can quickly and effectively convey information better than text, and that can be shared and reviewed easily anytime and anywhere.

Editorial Advocacy/Special Reports: A Special Report, also referred to as an Editorial Advocacy, are sponsored, fully independent reports that are published for distribution with one of our journals or online and can serve as an independent thought leadership report. Editorial direction, content development and design is provided by the American Nurse editorial team. Formats may include white papers, patient handouts, infographics, podcasts, video, e-books, and more.

Custom E-Mail Marketing: Launch a custom e-mail marketing campaign to reach your targeted nursing audience via location, highest level of degree, specialty, and more. Custom campaigns can include targeted e-mail blasts or custom, single-topic e-newsletters with 100% share of voice.

- Degree level: Associates, Bachelor’s, Baccalaureate, Master’s, Doctorate
- Specialty area: more than 20 specialties to select from
- Organization: Acute care, ambulatory, long term, military, schools
- Other selects: age, income, degree, ethnicity, and more

ANCC List Targeting
The American Nurses Credentialing Center (ANCC) has offered nursing specialty certification for over 35 years, and today serves as the largest and most prestigious nursing credentialing organization in the U.S. ANCC certificants are all highly qualified, certified registered nurses (RNs), with approximately half who are advanced practice nurses (over 70% of which are NPs – Nurse Practitioners). They all have met strict education/eligibility requirements and passed the exam for their specialty and advanced practice area; which includes gerontology, medical-surgical, pediatrics, perinatal, nursing administration, cardiac-vascular, pain management, psychiatric and mental health nursing (selectable, among others).

ANCC Total Universe: 62,000, base rate $250/M ($1,000 minimum)
