## CONTENTS

### CHAPTER 1. Taking the Certification Examination ............................................. 1  
- General Suggestions for Preparing for the Exam  
- About the Certification Exams

### CHAPTER 2. Developmental and Behavioral Sciences ................................. 11  
*Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Paula Chiplis, PhD, RN, CPNP*
- Psychosocial, Cognitive, and Ethical-Moral Development  
- Behavior Modification  
- Physical Development: Normal Growth Expectations and Developmental Milestones  
- Family Concepts and Issues  
- Family-Centered Care  
- Cultural and Spiritual Diversity

### CHAPTER 3. Communication ................................................................. 23  
*Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Karen Corlett, MSN, RN-BC, CPNP-AC/PC, PNP-BC*
- Culturally Sensitive Communication  
- Components of Therapeutic Communication  
- Communication Barriers  
- Modes of Communication  
- Patient Confidentiality  
- Written Communication in Nursing Practice  
- Professional Communication  
- Advocacy

### CHAPTER 4. The Nursing Process ......................................................... 33  
*Clara J. Richardson, MSN, RN–BC*
- Nursing Assessment  
- Nursing Diagnosis and Treatment

### CHAPTER 5. Basic and Applied Sciences .................................................. 49  
*Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Paula Chiplis, PhD, RN, CPNP*
- Trauma and Diseases Processes  
- Common Genetic Disorders  
- Common Childhood Diseases  
- Traction  
- Pharmacology  
- Nutrition  
- Chemistry  
- Clinical Signs Associated With Isotonic Dehydration in Infants
CHAPTER 6. Educational Principles and Strategies. .......................... 69
Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Karen Corlett, MSN, RN-BC, CPNP-AC/PC, PNP-BC
Patient Education

CHAPTER 7. Life Situations and Adaptive and Maladaptive Responses. . . . 75
Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Karen Corlett, MSN, RN-BC, CPNP-AC/PC, PNP-BC
Palliative Care
End-of-Life Care
Response to Crisis

CHAPTER 8. Sensory Disorders. ......................................................... 87
Clara J. Richardson, MSN, RN–BC
Developmental Characteristics of the Pediatric Sensory System
Hearing Disorders
Vision Disorders
Conjunctivitis
Otitis Media and Otitis Externa
Retinoblastoma
Trauma to the Eye

CHAPTER 9. Respiratory Disorders. .................................................... 109
Clara J. Richardson, MSN, RN–BC
Lessons From Nursing Theorists, Field of Communication, and Psychology
Bronchiolitis
Community-Acquired Pneumonia (CAP)
Laryngotracheobronchitis (LTB)
Epiglottitis
Foreign Body Aspiration
Tonsillitis
Respiratory Distress and Failure
Bronchopulmonary Dysplasia (BPD)
Cystic Fibrosis (CF)
Tuberculosis (TB)
Asthma
Sudden Infant Death Syndrome (SIDS)
CHAPTER 10. Cardiovascular Disorders .............................................. 143
Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Karen Corlett, MSN, RN-BC, CPNP-AC/PC, PNP-BC
Pediatric Variations from the Adult
Congestive Heart Failure (CHF)
Congenital Heart Disease
Kawasaki Disease
Rheumatic Fever

CHAPTER 11. Gastrointestinal Disorders .............................................. 165
Clara J. Richardson, MSN, RN–BC
Developmental Characteristics of the Pediatric Gastrointestinal System
Cleft Lip and Palate
Tracheoesophageal Fistula (TEF) and Esophageal Atresia (EA)
Imperforate Anus
Hypertrophic Pyloric Stenosis
Gastroesophageal Reflux
Hernia
Intussusception
Gastroenteritis
Hirschsprung Disease
Malabsorption Syndromes
Ingestions and Poisonings
Appendicitis
Inflammatory Bowel Disease

CHAPTER 12. Genitourinary Disorders .............................................. 209
Clara J. Richardson, MSN, RN–BC
Developmental Characteristics of the Pediatric Genitourinary System
Hypospadias
Vesicoureteral Reflux
Urinary Tract Infection
Acute Glomerulonephritis
Nephrotic Syndrome
Wilms Tumor
Sexually Transmitted Infections

CHAPTER 13. Endocrine Disorders .............................................. 229
Clara J. Richardson, MSN, RN–BC
Diabetes Mellitus
Growth Hormone Deficiency
Central Diabetes Insipidus
Hypothyroidism
Hyperthyroidism
CHAPTER 14. Hematologic Disorders ................................................. 245
   Clara J. Richardson, MSN, RN–BC
   Neonatal Sepsis
   Iron Deficiency and Iron-Deficiency Anemia
   Sickle Cell Anemia
   Immune Thrombocytopenic Purpura
   Hemophilia
   Leukemia
   Hodgkin’s Lymphoma

CHAPTER 15. Immunologic Disorders ............................................ 273
   Clara J. Richardson, MSN, RN–BC
   HIV and AIDS
   System Allergic Reactions (Anaphylaxis)
   Systemic Lupus Erythematosus

CHAPTER 16. Neuromuscular Disorders ....................................... 287
   Clara J. Richardson, MSN, RN–BC
   Developmental Characteristics of the Pediatric Neuromuscular System
   Neural Tube Defects
   Hydrocephalus
   Epilepsy or Seizure Disorder
   Cerebral Palsy
   Duchenne Muscular Dystrophy
   Meningitis
   Viral Encephalitis
   Brain Tumors
   Traumatic Brain Injury
   Spinal Cord Injuries
   Lyme Disease
   Hypothermia
   Hyperthermia

CHAPTER 17. Musculoskeletal Disorders ....................................... 331
   Clara J. Richardson, MSN, RN–BC
   Developmental Dysplasias of the Hip and Congenital Dislocated Hip
   Congenital Clubfoot
   Fractures and Dislocations
   Legg-Calvé-Perthes Disease
   Osteomyelitis
   Juvenile Idiopathic Arthritis
   Idiopathic Scoliosis
   Slipped Capital Femoral Epiphysis
   Bone Tumors
CHAPTER 18. Integumentary Disorders

Clara J. Richardson, MSN, RN–BC

Atopic Dermatitis (Eczema)
Impetigo
Cellulitis
Communicable Diseases
Fungal Infections
Parasitic Infestations
Acne Vulgaris
Burns

CHAPTER 19. Mental Health Issues in the Child: Acute and Chronic

Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Paula Chiplis, PhD, RN, CPNP

Autism
Failure to Thrive (FTT)
Developmental Disability
Enuresis
Attention Deficit Disorder (ADD) and Attention-Deficit Hyperactivity Disorder (ADHD)
Overweight and Obesity
Anorexia Nervosa and Bulimia
Substance Abuse
Depression
Suicide
Loss and Grief, Death and Dying
Child Abuse and Neglect

CHAPTER 20. Health Maintenance, Promotion, and Wellness

Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN

Anticipatory Guidance and Patient Safety (Home, Hospital, and Community)
Injury Prevention
Adolescent Issues

CHAPTER 21. Management and Leadership

Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN

Principles of Management
Organizational Structure
Professional Development
CHAPTER 22. Research .................................................. 427
Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN
Steps of the Research Process
Use of Research in Practice
Evidence-Based Practice
Clinical Practice Guidelines

CHAPTER 23. Legal and Ethical Issues. ................................. 431
Mary Jo Gilmer, PhD, MBA, RN-BC, FAAN, and Karen Corlett, MSN, RN-BC, CPNP-AC/PC, PNP-BC
Guidelines for the Practice and Delivery of Health Care
Reimbursement
Authority for Decision-Making
Ethical Dilemmas
Nursing Responsibilities

APPENDIX A. Review Questions .................................................. 439

APPENDIX B. Answers to the Review Questions ......................... 449

INDEX .............................................................................. 455

ABOUT THE AUTHORS ......................................................... 470
